# STOP OVERPAYING FOR REPAIRS.

We can help.

Did you know Proponent offers special pricing exclusively to our customers? Sensata is a trusted partner and is capable of handling repairs at exceptional turnaround speeds.

Sensata's operation hub in the greater Los Angeles area offers a wide variety of repairs and exchange options for items such as:

- Linear Variable Differential Transformers
- Rotary Variable Differential Transducers
- Pressure Transducers

For example, consider these Sensata repair times:

PRODUCT	MINOR REPAIRS	MAJOR REPAIRS
Force Transducers	10 Days	15 Days
LVDTs (single channel)	10 Days	15 Days
LVDTs (multi-channel)	15 Days	21 Days

\*Repair time is dependent on receipt of approval

#### Sensata's Certifications Include

**CAGE CODE:** 22863 | **FAA AIR AGENCY CERTIFICATE:** KV7R686NH | **EASA CERTIFICATE:** EASA.145.6395  
**ASA 9100:2016 REGISTRATION:** JISQ9100-2016 | Aero Exchange Participant | 2019 ILS Participant
