# ELIO<sup>®</sup> Fiber Optic Technology

Proponent is your Stocking Distributor  
for ELIO Fiber Optics Products

Your Partner in  
Aerospace Distribution  
[proponent.com](http://proponent.com)

ELIO is the registered trade name for Souriau's fiber optic termination technology. These products are designed to meet the performance requirements of today's advanced In-Flight Entertainment systems.

ELIO is available in both D38999 and ARINC 600 configurations. Proponent stocks the D38999 products listed below.

| Part Number | Description                     | Size | # of Termini | Male/ Female (P/S) | Polarizing | Plating |
|-------------|---------------------------------|------|--------------|--------------------|------------|---------|
| 8D0E09X01BN | Sq Flange Receptacle            | 9    | 1            | Female             | 1          | None    |
| 8D0E09F01BN | Sq Flange Receptacle            | 9    | 1            | Female             | 1          | Nickel  |
| 8D0E09W01BN | Sq Flange Receptacle            | 9    | 1            | Female             | 1          | OD Cad  |
| 8D5E09X01AN | Plug                            | 9    | 1            | Male               | 1          | None    |
| 8D5E09F01AN | Plug                            | 9    | 1            | Male               | 1          | Nickel  |
