Subject: Name Change and Letter of Authorization – Proponent

Mr. Matsumoto:

This letter serves as official notification and acceptance of corporation name change of Kapco to Proponent. As such Proponent is an authorized distributor for Smiths Tubular Systems dba Titeflex products for commercial and military use.

The Proponent quality manual is approved as an assurance of compliance that Titeflex procedures, workmanship, records and tests are being followed.

As a result of review of your quality system, your Brea, CA facility is approved as a manufacturing location. Proponent is authorized to mark and direct ship FAA – TSO assemblies produced under your delegation issued by the Boston Certification Office in Burlington, MA.

Furthermore, Proponent is authorized to complete inspections and issue FAA Airworthiness and Export Airworthiness Approvals for Titeflex product within the functions and limitations described in your FAA authorized Designee's Certification of Authority (COA).

If you have any other questions you may contact us at any time.

Regards,

A. C. M

We consider your quality system, as defined in KAPCO's Quality Manual (Rev. 5) from June 2013, satisfactory for production of these articles at your new facility located at 3051 E. Enterprise Street, Brea, CA 92821 and must stay in compliance with 14 CFR 21.608 and 21.137.

This TSO authorization, issued under 14 CFR 21.611, is effective until surrendered, withdrawn, or otherwise terminated under the provisions of 14 CFR 21.613. With notice, we may withdraw this TSO authorization if articles aren't in compliance with the applicable TSO performance standards per 14 CFR 21.2.

You must obtain FAA approval prior to making any changes to the location of your manufacturing facilities pursuant to 14 CFR 21.609(b).

Without further FAA approval, we don't allow manufacturers to mark articles after they change the company's name, address, or ownership. You must notify the ACO and MIDO of name, address, or proposed ownership changes.

Per 14 CFR 21.614, a holder of a TSOA may not transfer it. If you wish to transfer it, you must request a transfer from the FAA.

Send to the office below any design change(s) for this TSO article as outlined in 14 CFR 21.619(a). You should notify us of minor design changes within 30 days. Also, as recipient of this authorization, we require you to report any failure, malfunction, or defect relating to articles produced under this authorization in accordance with the provisions of 14 CFR 21.3.

Please note that technical data the FAA retains may be subject to Freedom of Information Act (FOIA) request. This office will notify you of any request(s) pertaining to your data and give you the opportunity to protect the data from public disclosure.

If you have any questions regarding this authorization, contact Caspar Wang at caspar.wang@faa.gov or 781-238-7799.

Sincerely,

Robert G. Mann
