Aerospace Parts & Distribution Services

Kapco Global Hose Division Servicing the General Aviation Community

If safety and peace of mind are your top priority Titeflex is your hose. Titeflex hose has NO shelf life. It is designed for the life of your aircraft.

Titeflex is the premium brand of aerospace hose

- Improved lifespan of hose products: retrofit your rubber hose with Titeflex Teflon™ hose products
- All Teflon™ & metal inner-core with stainless steel or Kevlar® reinforcement braid, no rubber
- First choice by NASA and first choice for high pressure hydraulic systems on the A380 and B787

Kapco Global Hose Division is the ONLY West Coast Titeflex Distributor

Kitting programs: engine and airframe

Quick turn around time “TAT”

- Ship “as-removed” hoses to Kapco Global. We will cross reference to Titeflex part number and quote within 24 hours.

Kapco Global is a TiteFlex authorized “Value-Added” distributor for U.S., Europe, and Asia. Partner with Kapco Global for solutions that work and value-added services that get the job done right.
