- 73- Engine Fuel
- 79- Engine Oil

TITEFLEX
Authorized
“Value-Added”
Distributor for
U.S., Europe,
and Asia

In-house Manufacturing Capabilities

Our in-house state of the art manufacturing systems and equipment enhance more than a half-century of direct experience in developing innovative solutions for complex customer needs. Kapco Global manufactures a variety of components. These range from highly complex, flight critical metallic components such as landing gear and jack screws to much simpler commodities like hoses, elastomeric seals, and electrical connectors.

Our Promise to You

- ✓ Short Lead Times (2-5 Days)
- ✓ On-Hand Stock
- ✓ Technical Support
