

A grayscale photograph of a large warehouse interior. Three men are walking away from the camera down a long aisle. The aisle is flanked by tall, industrial shelving units filled with boxes and materials. The floor is polished and reflects the overhead lights. A large white diagonal shape cuts across the top right corner of the image.

Our World  
Is Parts.

Our Passion  
Is **Partnership.**

---

Proponent is the largest independent distributor of commercial aircraft parts, serving the MRO, OEM and airline markets for over 50 years. With worldwide inventory and staff, we operate on the global scale of aerospace.

Proponent isn't just a name, it's our mission statement. With unmatched agility and service, we are focused on simplifying your aftermarket needs with custom solutions and fast, reliable delivery of critical parts. See what's possible with a proponent on your side.

Our relationships with aircraft operators, maintenance providers, manufacturers and our supply chain partners drive us to deliver reliable, customer-centered service that focuses on realtime needs. Currently, we support more than 400,000 vital aviation parts and components for all your commercial, regional and business aviation needs.

As the industry evolves and our partners' needs shift, our product and service offerings follow suit. By constantly reviewing and adapting our product range, we remain agile enough to serve the most modern platforms while also maintaining levels of essential components for legacy fleets.

This guide features a small sample of our products. To learn about the full range of our product offerings and to discuss how Proponent can support your needs with our innovative customized solutions, please email us at [support@proponent.com](mailto:support@proponent.com) or call your local Proponent representative at any time.

# Designed With You in Mind

## ProCart Delivers the Time-Saving Features You Need

### EASILY ACCESS YOUR ORDER INFORMATION—ANY TIME, ANY PLACE

View and print account history, invoices and certs in an instant with 24/7 access to your account details and shipping stats.

### REAL-TIME INVENTORY STATS

Color codes provide at-a-glance inventory checks:

- Orange = Out of Stock
- Blue = In Stock, Ready to Ship

“Ship Today” column lets you know the time remaining for same-day shipping.

### BULK SEARCH FOR STREAMLINED ESTIMATING

Instantly search details for up to 500 items at a time. Excel list upload functionality allows for faster data entry.

## PROCART E-COMMERCE PLATFORM

► Visit today at [procart.proponent.com](http://procart.proponent.com)

# Added Value Through Manufacturing

Contact Us For More Info:

[manufacturing@proponent.com](mailto:manufacturing@proponent.com)

[www.proponent.com/manufacturing-capabilities](http://www.proponent.com/manufacturing-capabilities)

Proponent has earned a remarkable reputation based on decades of on-time delivery, a wide range of high-quality aerospace parts, and customer-centered service. As a value-added distributor, we pride ourselves on being able to provide manufacturing services to meet

our customers' needs. Our state-of-the-art systems and equipment enhance more than a half-century of direct experience in developing innovative solutions for complex customer build-to-print needs. We are your manufacturing source for special alloys & gaskets.

## AN AS9100 & BOEING APPROVED MANUFACTURER

---

### Manufacturing Capabilities

- CNC multi-axis machining, horizontal and vertical
  - High-speed machining software
  - Interactive CAD/CMM systems
  - Build-to-print machined & assemblies complete
  - Turnkey design, fabrication, finishing, assembly
  - Water jet machining
  - Flat pattern & mold extrusion seals – cutting & bonding
  - Traceability/certification
- 

### Special Concentration

- Large-part precision machining to 120"
- Complex configuration inspection
- Exotic alloy machining
- Internet link to customer part database
- Project management / turn key offering

## Value Added Services

- Kitting Solutions
- Vendor Reduction
- Intelligent Stocking Solutions
- ProStore

### Kitting

#### PROGRAMS

- Electrical Harness
- Connectors
- MEC / HMU
- FCU / Main Fuel Pump
- Heat Exchanger
- IDG
- Oil Cooler
- Check Valves
- And More...

#### SOLUTIONS

- 1. Optimization of Logistics Cost:** Multiple parts & suppliers in one kit
- 2. Improved Operations Efficiency:** All parts of a complete job in one package
- 3. Reduce Workload at Procurement:** One PO instead of multiple
- 4. Optimization of Inventory Management:** Improved availability of parts; reduced number of active PNs
- 5. Optimization of Warehouse Management:** Reduced number of SKUs
- 6. All parts fully traceable:** All documents and certificates must be handled by Proponent
- 7. Proponent kits are fully customizable:** We understand customers' needs are different, so we design and customize our kits based on your needs

### Vendor Reduction

- **Reduced Logistics Cost:** Make use of Proponent's global logistics network
- **Reduced Workload at Procurement:** One PO processing and monitoring instead of multiple POs from multiple vendors
- **Advantage of Scale:** The customer's parts demand will be combined with Proponent's global parts demand, reducing costs
- Make use of our vast experience in demand forecasting and stock management
- Extensive network of suppliers
- **Bin/Line Feed:** A steady flow of materials directly into customer production line determined with the customer based on historical and proactive forecast data
- **Quality Control:** Inspection of all parts based on the customer's QC requirements avoiding any delays with the production line

## Intelligent Stocking Solutions

**Consignment:** Proponent takes responsibility for improved availability of a predefined scope of parts by placing them at the customer location on consignment basis and automatically replenishing those parts based on forecasts and prior months' usage.

Typically, these materials will be consigned by Proponent and can be managed via various interfaces (XML messaging) or dedicated EDI tools.

### Features

- Stored onsite close to shop floor
- Pay per use principle
- Returns available
- Periodic invoicing
- Automatic replenishments based on FC or PO
- Planning & monitoring
- Common Types - VOI, VMI, and ProStore

## ProStore

MRO	TASKS (Cost)	ProStore
✓	Monitor Stock Levels	✓
✓	Vendor Management	✓
✓	Re-Order Quantities	✓
✓	Generate / Place PO	✓
✓	Manage Order Flow	✓
✓	Order Logistics	✓
✓	Goods Inspection	✓
✓	Kitting	✓
✓	Goods Picking	X
✓	Goods Receipts	X

**ProStore takes over all routine tasks dramatically cutting costs for the MRO.**

- Suitable for any type of LRU's and scalable to suit large and small MROs
- Configurable to comply to MRO documentation requirements
- MRO can tie invoices to workorder
- Easy implementation. Intuitive. On Wi-Fi & 4G.
- Material certificates available on-line

Wherever  
Our Customers  
**Need Us**

---

With facilities strategically placed around the world and the independence to stay agile, Proponent is always ready to respond to our customers' needs, even when those needs change.

We are committed to supporting our aircraft operators, maintenance organizations and OEM customers – wherever they may be.

We'd love to hear how Proponent can better serve your needs. Please let us know by emailing [support@proponent.com](mailto:support@proponent.com) or by calling your local Proponent representative at any time.
