

# Product Guide

Our World  
Is Parts.

Our Passion  
Is **Partnership.**

Proponent is the leading independent distributor of commercial aircraft parts, serving the MRO, OEM and airline markets for over 50 years. With worldwide inventory and staff, we operate on the global scale of aerospace.

Proponent isn't just a name, it's our mission statement. With unmatched agility and service, we are focused on simplifying your aftermarket needs with custom solutions that provide you with fast, easy, and reliable delivery of critical parts.

Our relationships with aircraft operators, maintenance providers, manufacturers and our supply chain partners drive us to deliver reliable, customer-centered service that focuses on realtime needs. Currently, we support more than 500,000 priced vital aviation parts and components for all your commercial, regional and business aviation needs.

As the industry evolves and our partners' needs shift, our product and service offerings follow suit.

By constantly reviewing and adapting our product range, we remain agile enough to serve the most modern platforms while also maintaining levels of essential components for legacy fleets.

This guide features a small sample of our products. To learn about the full range of our product offerings and to discuss how Proponent can support your needs with our innovative customized solutions, please email us at [support@proponent.com](mailto:support@proponent.com) or call your local Proponent representative at any time.

## ProCart Delivers the Time-Saving Features You Need

### EASILY ACCESS YOUR ORDER INFORMATION—ANY TIME, ANY PLACE

View and print account history, invoices and certs in an instant with 24/7 access to your account details and shipping stats.

### NOW YOU CAN ORDER AOG PARTS DIRECTLY IN PROCART

- Immediate access to availability and pricing
- Easy online ordering
- Step-by-step updates via voice/text
- Choose a 2-hour pickup window

### BULK SEARCH FOR STREAMLINED ESTIMATING

Search details for up to 500 items at a time. Excel list upload functionality allows for faster data entry.

# Added Value Through Manufacturing

Proponent has earned a remarkable reputation based on decades of on-time delivery, a wide range of high-quality aerospace parts, and customer-centered service. As a value-added distributor, we pride ourselves on being able

to provide manufacturing services to meet our customers' needs. Our state-of-the-art systems and equipment enhance more than a half-century of direct experience in developing innovative solutions for complex customer build-to-print needs. We are your manufacturing source for special alloys & gaskets.

**AN AS9100 & BOEING APPROVED MANUFACTURER**

## Manufacturing Capabilities

- CNC multi-axis machining, horizontal and vertical
- High-speed machining software
- Interactive CAD/CMM systems
- Build-to-print machined & assemblies complete
- Sinker EDM
- Turnkey design, fabrication, finishing, assembly
- Water jet machining
- Flat pattern & mold extrusion seals – cutting & bonding
- High-speed machining software
- Traceability/certification

## Special Concentration

- Large-part precision machining to 120”
- Complex configuration inspection
- Exotic alloy machining
- Internet link to customer part database
- Project management / turn key offering

# Value Added Services

## Kitting

### PROGRAMS

- Electrical Harness
- Connectors
- MEC / HMU
- FCU / Main Fuel Pump
- Heat Exchanger
- IDG
- Oil Cooler
- Check Valves
- And More...

### SOLUTIONS

- 1. Reduction of Logistics**  
**Cost:** Multiple parts & suppliers in one kit
- 2. Improved Operations**  
**Efficiency:** All parts of a complete job in one package
- 3. Reduce Workload at Procurement:**  
One PO instead of multiple
- 4. Optimization of Inventory Management:**  
Improved availability of parts; reduced number of active PNs
- 5. Streamlined Warehouse Management:** Reduced number of SKUs
- 6. All Parts Fully Traceable:**  
All documents and certificates must be handled by Proponent
- 7. Proponent Kits are Fully Customizable:**  
We understand customers' needs are different, so we design and customize our kits based on your needs

## Vendor Reduction

- **Logistics Cost Savings:** Make use of Proponent's global logistics network
- **Reduced Procurement Workload:** One PO processing and monitoring instead of multiple POs from multiple vendors
- **Advantage of Scale:** The customer's parts demand will be combined with Proponent's global parts demand, reducing costs
- **Inventory Coverage:** Make use of our vast experience in demand forecasting and stock management
- **Portfolio Breadth:** Extensive network of suppliers
- **Bin/Line Feed:** A steady flow of materials directly into customer production line determined with the customer based on historical and proactive forecast data
- **Quality Control:** Inspection of all parts based on the customer's QC requirements avoiding any delays with the production line

# Intelligent Stocking Solutions

## CONSIGNMENT

Proponent takes responsibility for improved availability of a predefined scope of parts by placing them at the customer location on consignment basis and automatically replenishing those parts based on forecasts and prior months' usage.

Typically, these materials will be consigned by Proponent and can be managed via various interfaces (XML messaging) or dedicated EDI tools.

## FEATURES

- Stored onsite close to shop floor
- Pay per use principle
- Returns available
- Periodic invoicing
- Automatic replenishments based on FC or PO
- Planning & monitoring
- Common Types - VOI, VMI, and ProStore

## ProStore

ProStore takes over all routine tasks dramatically cutting costs for the MRO.

- Suitable for any type of LRU's and scalable to suit large and small MROs
- Configurable to comply to MRO documentation requirements
- MRO can tie invoices to workorder
- Easy implementation. Intuitive. On Wi-Fi & 4G.
- Material certificates available on-line

# Business Units

While our core focus is aerospace distribution, our dedicated business units expand our reach across the aviation industry, including Avioparts for same-day dispatch of lubricants, chemicals, and aircraft tires with end-to-end maintenance logistics, Proponent Helicopter Services for rapid-response Bell helicopter replacement components, HC Pacific for specialized military platform supply with kitting, military packaging, JIT delivery, and

advanced analytics, Proponent Technical Services for FAA-approved PMA and STC solutions plus Part 145 repair and exchange, and Proponent Battery Services GmbH for authorized aircraft battery and spares distribution supported by D+C test equipment and EASA, FAA, and UK Part 145 approvals. Explore the next few pages for a closer look at the capabilities and offerings of each business unit.

# Avioparts

A  proponent Company

Founded in 1993 by Manuel Fojón, Avioparts is a world-leading supplier specializing in lubricants, chemicals, aircraft tires, and comprehensive logistics solutions for aircraft maintenance. The core business focuses on same-day dispatch. With a strong presence across major aviation hubs, Avioparts delivers timely and cost-effective support to airlines, MROs, and operators worldwide.

World-leading  
supplier for lubricants,  
chemicals, aircraft  
tires, & comprehensive  
logistics solutions for  
aircraft maintenance

Proponent Battery Services GmbH offers a wide variety of unique D+C Test Equipment to support its airlines and MRO customers worldwide. We are an Authorized Distributor for all leading manufacturers of aircraft batteries and spare parts and hold aerospace service and maintenance approval in accordance with EASA Part-145 / FAA 145 /UK 145.

The company is an Authorized Distributor for manufacturers such as Saft, Marathon, and Hawker. The product line also covers Concorde and Gill lead-acid batteries.

The customers of Proponent Battery Services GmbH comprise national and international airlines, regional and business airlines, helicopter operators, and MRO companies.

# Wherever Our Customers Need Us

With facilities strategically placed around the world and the independence to stay agile, Proponent is always ready to respond to our customers' needs, even when those needs change.

We are committed to supporting our aircraft operators, maintenance organizations and OEM customers – wherever they may be.

We'd love to hear how Proponent can better serve your needs. Please let us know by emailing [support@proponent.com](mailto:support@proponent.com) or by calling your local Proponent representative at any time.
