

# Your Global Source For **Nycote**

# Overview

Corrosion, wear, friction, and abrasion are constant threats across aircraft systems. Finding a reliable, compliant coating source with inventory on hand when you need it shouldn't be.

CAGE CODE: 05803

Proponent is the preferred global source for the full Nycote product line. With inventory across the Americas, EMEA, and APAC, we enable rapid fulfillment for both planned and unplanned maintenance cycles, keeping your operations moving without disruptions.

## OEM-Approved Aerospace Coatings

Applied across multiple ATA chapters, Nycote coatings help extend component life, reduce unplanned maintenance, address coating obsolescence, and support regulatory compliance wherever corrosion, friction, or abrasion protection is required on the aircraft.

Qualified & Approved Nycote coating products are qualified to multiple MS, SAE, and OEM specifications, and approved on Airbus and Boeing Controlled Materials Lists (CMLs).
